Plaintiff attempts to anticipate issues that may or may not be raised at trial. It is unknown at this time whether such issues would have to be faced, or the circumstances in which the Court

1 would face them. Therefore, the Motion (#47) is premature and must
2 be **DENIED** in part as to items 1-3 and 6, with the possibility of
3 renewal.

4 There is some indication that the issues contained in 4 & 5
5 pertain to the trial, and the Court will not rule on 4 & 5 at this
6 time. The Court will issue its ruling on items 4 & 5 once a
7 response is filed to the Motion (#47), and any further proceedings
8 with respect to that Motion (#47) are had as determined by the
9 Court.
